

Virtual Tour Teaser Video Text

Ever wonder what the inside of a federal penitentiary looks like?

Now you can see for yourself

For the first time....

You will be able to virtually explore the inside of a institution

The virtual tour consists of 360-degree panorama scenes of various areas within an institution

The tour will showcase....

A minimum, medium and maximum security cell and range

A security perimeter and entrance

A visitor's area, CORCAN workshop, and chapel

A program room and health care centre

And an Aboriginal cultural centre

This tour helps ensure CSC provides the public with timely, accurate, and complete information about its policies, programs, services, and initiatives....

In an innovative way
