Good day,

Please provide me with the February 14 to 21st? Vaccine report before noon today.

I didn't get the formal call out, could be because I am not on the distribution list yet, so I am guessing on the dates. If you have different information, let me know.

Thank you,
Jennifer

Hi again,

Please see the updated form attached. I had run a-foul of the dates fields – they are tricky to enter. Apologies!

Best wishes,

Deirdre

Hi Jen,

Please find attached the completed COVID-19 vaccination report for you to send to PHAC. We have been working diligently to correction some inconsistencies, and it appears they are all now reconciled. PHAC has told us that we can provide updates at a later date should things change.

Best wishes,
