**A-2021-00086 – Incidents between October 1, 2020 and December 20, 2020**

**Request:**

“Time frame of October 1, 2020 to December 20, 2020 - Incident Reports. I am requesting statistical records documenting the number and nature of incidents (e.g. hunger strikes, protests, refusals to stand for inmate counts) involving prisoners in your correctional institutions.”

**Response:**

The following table reports all incidents that have occurred in federal institutions and/or Section 81 Healing Lodges between October 1<sup>st</sup>, 2020 and December 20<sup>th</sup>, 2020.

Note: These exclude any incidents that occurred in the Community. In addition, incidents recorded as ‘Death Related’ and ‘Escape Related’ were recorded under those types in the Offender Management System (OMS), but incidents may or may not have resulted in actual deaths or escapes (i.e.: could have been ‘Attempted’, ‘Conspiracy to Commit’, etc.). It does not adjust for instances where more than one death or escape would have occurred during an incident. Also includes only incident reports that have been completed.
