## Why are CRC Staff Wearing a Mask?

Continuous masking is recommended for all CRC staff when in direct contact with any offender or when in a work setting where they cannot maintain a consistent six-foot distance from offenders.

**Staff will be wearing masks in these circumstances to help protect you and others from:**

- **the potential of us being exposed in the community or have no symptoms (asymptomatic) if we have been exposed in the community**

This is aimed to protect all people in custody and all of us working in the building.
