Good morning everyone,
Just to follow up – all 7 youth have now been cleared to return to regular programming as their symptoms have resolved. KHYC still remains on “outbreak” status; however, all youth symptoms have resolved.

Please let me know if you have any questions,
Jay

Good morning everyone.

I just wanted to give a quick update regarding the email below. 3 of the 7 youth have come off of isolation and returned to the unit for regular programming as they have been symptom free for 48 hours. West unit has returned to regular programming as the quarantine status has been lifted. Please let me know if you have any questions.

Jay

Hi all,

I sent in a medical health reporting incident as follows:

Incident Report : Numerous youth have tested positive for COVID-19, three youth confirmed through rapid test and 3 youth confirmed through PCR testing. Numerous youth are symptomatic, therefore West Unit has been placed on Isolation status. Health line direction is to test the youth who remain negative on Tuesday using rapid testing. Kilburn Hall is currently on OUTBREAK STATUS as per public health.

Thank You
