

COVID 19 POC reporting

REPORTING PERIOD: Jan 17 - Jan 23, 2021.

Please note here if this report includes dates before Jan 17 dependent on your previous report. *****

Due January 27, 2021 to CRHEM.PLAN@gov.bc.ca

Purpose:	To enable federally required reporting on POC test kit usage.
Instructions:	Please complete all three tabs for POC test kit usage
	Each site should have one row in the tab, please add in additional rows if you new sites that have opened in this reporting period.
	If there is no new information/data, please replace [data required] with "0" (data) or "no implementation"
Fields	Notes
# Tests deployed	PHSA Supply Chain to complete on behalf of HAs
Date deployed	PHSA Supply Chain to complete on behalf of HAs
Site or Location (city/community)	Provide the location/city of each site
Start date of testing	Date POC testing went live
Use	Drop down box with categories aligning with the POC testing strategy, or other (wastage, validation)
If MHO discretion - please specify the population	Only required if use is "MHO discretion" - Please note the population/setting of implementation
Partner organizations	if any, please note (ex: FNHA). If none, please put No partners
Treatment of positive and negative results	One time report - very high level bullets detailing the process for 1) positive result and 2) negative result.
# of tests used	# of tests used in the reporting period (inclusive of testing, wastage, training and validation)
# of positives	# of positive tests on patients in the reporting period

COVID 19 POC reporting

REPORTING PERIOD: Jan 10 - Jan 16, 2021.

Please note here if this report includes dates before Jan 10 dependent on your previous report. *****

Due January 20, 2021 to CRHEM.PLAN@gov.bc.ca

Purpose:	To enable federally required reporting on POC test kit usage.
Instructions:	Please complete all three tabs for POC test kit usage
	Each site should have one row in the tab, please add in additional rows if you new sites that have opened in this reporting period.
	If there is no new information/data, please replace [data required] with "0" (data) or "no implementation"
Fields	Notes
# Tests deployed	PHSA Supply Chain to complete on behalf of HAs
Date deployed	PHSA Supply Chain to complete on behalf of HAs
Site or Location (city/community)	Provide the location/city of each site
Start date of testing	Date POC testing went live
Use	Drop down box with categories aligning with the POC testing strategy, or other (wastage, validation)
If MHO discretion - please specify the population	Only required if use is "MHO discretion" - Please note the population/setting of implementation
Partner organizations	if any, please note (ex: FNHA). If none, please put No partners
Treatment of positive and negative results	One time report - very high level bullets detailing the process for 1) positive result and 2) negative result.
# of tests used	# of tests used in the reporting period (inclusive of testing, wastage, training and validation)
# of positives	# of positive tests on patients in the reporting period

ABBOTT ID NOW
