Dear Mr. Piche:

I am replying to your access request made under the *Freedom of Information and Protection of Privacy Act* (the Act), for the following information:

I am requesting all memorandums, briefing notes, information notes, and Power Point decks outlining contract tracing procedures in place to detect and track the spread of COVID-19 inside correctional institutions in Ontario for the period of 2021 /02/01 to 2021 /04/30

This is to inform you that no responsive records were located. The Pandemic Response and Recovery Division notes that there are no government products regarding correctional facilities and contact tracing. Please see the following weblinks to public documentation.

https://www.health.gov.on.ca/en/pro/programs/publichealth/coronavirus/2019_guidance.aspx#contact

These public documents contain guidance for various institutions. As well, there is a document there from the Ministry of the Solicitor General on the topic of correctional institutions.
