This was initially a site under investigation and is now confirmed COVID Outbreak.

NEW CONFIRMED COVID OB [redacted 17(1)] [redacted 24 (1) (b)] Kitchen OPEN

[redacted 24 (1) (b)]

Initial onset of first case: **Sept 16, 2020**
 Number of confirmed positive residents: **none**
 Number of ill residents/total population at risk: **[0/0]** -the kitchen staff have no contact with inmates
 Number of confirmed positive staff: **two**
 Number of ill staff/total population at risk: **[2/10]**
 Number of hospitalizations: **none**
 Number of deaths: **none**

All staff have strongly been recommended to be swabbed

Routine IPC outbreak measures apply to the **entire facility** including (but are not limited to) social distancing including dining room, isolation of ill residents, outbreak signage posted, enhanced cleaning, strict hand hygiene, restriction of visitors, and cancellation of group activities.

In addition, specific recommendations are in place to prevent the spread of COVID-19 for kitchen including (but are not limited to) additional use of isolation and PPE for residents and staff as discussed with Infection Prevention Control, co-horting of residents, and staff work restrictions

Exclusion of staff as determined by the Occupational Health and Safety, MOH and Medical Director.
