Answers to the questions are below. I have confirmed with my JSG counterparts that this is accurate. As well, attached is a copy of our overall document with guidance that was circulated to all the Centre Directors.

1. Are the gyms in JSG correctional centres still open? If so, what precautions are being taken re: social distancing/mass gatherings?

Open gym time for contact sports such as basketball is currently not occurring. Limited activity is occurring for non-contact activities such as badminton and pickle ball. Numbers are reduced; there is good hand hygiene before and after; the rackets, birdie/ball and anything else used is cleaned before and after use; and the people playing together are from the same dorm/range to prevent/limit the possibility of spread. Weight rooms continue to be used with appropriate limits on numbers, social distancing and enhanced cleaning. Other precautions being taken include:

- Temporary Suspension of institutional visits.

- Temporary suspension of intermittent sentence program where legally possible.
- Decreased congregate activities and programs
- Minimized institutional movement wherever possible.
- Enhanced cleaning procedures
- Removal of inmates from food preparation duties
- Ongoing education on hand hygiene, physical distancing and other protective measures.
- Ongoing screening and isolation of inmates as needed
- Pre-shift staff screening for all Correctional Services staff

2. Are cafeterias (dine-in) in JSG correctional centres open?

In locations where appropriate physical distancing can occur meals may still occur in open areas. If this is not possible, meals are being eaten in cells.

Thanks,

Janet

Hi Janet – are you able to provide any insight into the questions below. If information / guidance has been provided to them already re these matters, are you able to provide a copy of that information? I am certain the next question we are going to get is whether the direction / guidance is being followed. I would appreciate any information you are able to provide. Thanks Janet,

Cheryl

Hello JSG,

We have a few inquiries for you:

1. Are the gyms in JSG correctional centres still open? If so, what precautions are being taken re: social distancing/mass gatherings?
2. Are cafeterias (dine-in) in JSG correctional centres open?

Please advise by replying to the AHW EOC (copied in this email). Let us know if you require any more information. Thank you kindly!

Cheers,

Sunea Corry
