Morning Bill & Frank,

There are Qs this am about COVID and correctional facilities. Do we have an update on what's happening with Calgary Remand? I don't recall this being an official outbreak.

Frank, can you send me the latest stats on our correctional facility inspections? I recall that there were 57 facilities and we did remote inspections at all. What are our complaint and covid positive follow up numbers?

Need for our 10am update so Minister can have it for QP.

Thanks
LC

Hi Diane

Is the investigation at the Calgary Remand Centre related to a complaint or an incident?
