Subject: RE: N95 mask

Hi,
Yes we can connect for the information.
We will have to talk about fit-test, KN95, unions and (officers and NU?)
I'll wait the invitation
Thanks

Jean-Pascal Nadeau, Infirmier Clini.

Objet : RE: N95 mask

Hi Jean-Pascal,
Thanks for the note, we had some preliminary discussion on this at our daily brief and likely this does meet the definition of uncontrolled outbreak.
With that in mind we would suggest that we follow the guidance that was presented last week on ensuring that we have taken all the necessary precautions and use the N95 as a last resort.
Perhaps we can connect briefly this morning and go over the steps as outlined below and then identify next steps?
Committee on nosocomial infections of Quebec: Recommendations on risk management of HCW exposure to aerosols in uncontrolled outbreak situations in healthcare settings
