Subject: Dr. Raymond discussion

This morning on the covid call I raised the discussion of face shields and temperature taking at principal entrances and a need to discuss with Dr. Raymond (not sure if you were on the call when I discussed it). We were planning to discuss with her on Wednesday next week, but I'm wondering if we could do this earlier as face shields will likely be discussed at the advisory committee meeting Tuesday. Any chance that we could get 30 minutes with her on Monday?
