1	everyone should be helping to protect the environment	2/12/2023 8:54 AM
2	I think that it is very important for all events, and people to focus on their carbon footprint, or effect on the earth. I think that especially the Arctic Winter Games should focus on this because the more the Arctic Winter Games contribute to climate change, the faster the Arctic in the name will disappear. Also, many of the sports played in the snow will not be able to be played, since the more the Arctic Winter Games contribute to climate, change, the faster the snow will disappear, making these sports unplayable.	2/12/2023 2:42 AM

1	There was a lack of recycling stations at the athletes village and alot of food waste. Also the containers for lunch packing created alot of trash. I noticed a lot of athletes just threw out their AWG swag such as backpacks, lunch box and water bottles, there should of been a place to give it away for it to be repurposed instead of thrown out	2/6/2023 3:57 PM

3	Beacuse its our beliefs and values	2/8/2023 3:15 PM
4	Because specifically in my event (arctic sports) alot of the events were created on the land of our ancestors and with the amount of waste and pollution I feel like it wouldn't be the same knowing that those traditions and games were no longer apart of those in the sense that they may not be able to preform those such events on there home land and territories because of the amount of carbon footprint and pollution	2/8/2023 2:25 PM

1	The only thing I would change for AWG 2024 would be the venue. It took an hour and a half to two hours every day to get from the Arctic Village to the ski mountain every day. Let alone going back too! However, it was made more enjoyable because of the very nice busses.	2/12/2023 2:53 AM
2	better transportation to venues	2/9/2023 4:26 PM

8	The organization of these games were not the best. I have been to 8 games and the volunteers, although doing their best, are not properly organized. The traditional games were positioned in a spot where we could not concentrate and on a floor that is not ideal for the sport. The Arctic sports technical package was a mess. Dene games had one snow snake track and improper snow snakes. Spectators were coming in and out of each facility. It was very disorganized.	2/2/2023 2:55 PM

I also hope that the opening ceremonies spends less time on acknowledgments to different leaders of the community and more time on the athletes/performers. Basically more music and fun, less sweaty talking and cold. Also we got trapped inside with a DJ who insisted on rapping for 40 minutes straight, it made me so angry	2/2/2023 2:03 PM

Not arriving at the lodge until 11:30 pm and having to get up at 5 to wait in a bus line for hours to get to a 9 am game should not be a concern that any of the teams should have had. I didn't have a single good experience with anyone from the host team, alberta north, they displayed rude and unsportsmanlike behaviour. 20	Transportation was absolutely horrendous. We should not have to get in line 2 hours before our practice and still be late. Scheduling for certain sports was poorly planned. Why would a team play at night, not get back till 11:30 because they were unable to get a bus, and then play the morning game and get up at 5 am. The weather was freezing. And the athletes village was inconveniently far away, especially with the poor transportation. Also had terrible experiences with all Alberta teams, rude and disgraceful, do better, we shouldn't even be considering you Arctic.	2/2/2023 3:48 PM
