Subject: Heads' up: Virtual Tour - BP2020 Innovation Fair
Importance: High

Hi I

Finally some news to share! CSC will be launching the virtual tour at the [BP2020 Innovation Fair](#) happening on April 16. We will be manning a booth at the event to showcase the tour to public servants, with online posting the following day for the general public.

We hope to see you there!

As mentioned by the project office, we're interested in any opportunities to leverage [Canada.ca](#), though the tour will be housed on the CSC site for the moment. They had previously advised that we'd have to go through you to make the arrangements. Let me know how we can proceed.

- Would it be possible to request a [Canada.ca](#) vanity URL? To be in-line with the CSC site, we'd like to have [Canada.ca/csc-virtual-tour](#) or [/CSCVirtualTour](#) ([scc-visite-virtuelle/SCCVisiteVirtuelle](#)). Let me know if there is a preference in the URL naming strategy, such as being case sensitive. I'm not sure if the timelines will allow given that we're already Tuesday.

Please feel free to let anyone know ☺ Have a great day!
