53	Every team was very nice to chat with except Team Albert North. They weren't nice, they booed other teams and they even mocked USA's National Anthem. It was very disrespectful, not just our team but to our country. As the host community, it was utterly UNACCETABLE! Especially when all the other teams have and are still bringing in so much money to boost the local economy. Have been many of the AWG event on this trip, as well as many youth sporting events throughout America, but I would have to say that Albert North futsal cheering section have been displaying the WORST sportsmanship I've ever witness in my lifetime. Especially in youth events. Left me tell you, I've in involved in many... basketball, soccer, futsal, jump rope, volleyball, baseball, softball & wrestling.	2/2/2023 10:34 PM
54	I think it's great to meet people from other communities and learn that you are so similar. Everyone here has been so nice and I've had a great time even though (to be completely honest) I only signed up to make my uncle happy. I was not super excited about coming. I have social anxiety and didn't know a single girl on my team but I feel like I've made some friendships that will last forever. I am so happy I came.	2/2/2023 10:24 PM

9	It is wonderful to have a mix of sports. I also think it is important to note how some sports are more popular in some contingents than others, and not to devalue the sports that are not universally participated in. For example, cross country skiing is a primary sport for Alaska, Yukon, Sapmi, and NT and we were told that the AWG committee plans to delete the U18 category for 2024. This is a HUGE error and could run the risk of Sapmi choosing not to participate at all. In my mind, their participation is very important to maintain the full circumpolar identity that is reflected at AWG.	2/6/2023 10:42 AM
10	I think that it's weird how many indoor sports there are at the Arctic winter games where participants can compete in shorts and a t shirt. I feel that there could be more of an emphasis on the outdoor and traditional winter sports than there is.	2/5/2023 7:59 PM
11	It was so amazing getting to see and learn more about the origins of Arctic sports and Dene Games. Learning from these sports was incredible. Indigenous kinetics, these Arctic sports and Dene games represent the presence of culture and how it lives through all of them in physical forms... beyond verbal typical to western ways of being. Also watching the cultural participants was beyond special. I saw them at their pop up performances and also at cultural gala. Was in tears for the majority of the cultural gala. It was incredible expression of the north, it's peoples, culture and way of life.	2/5/2023 6:47 AM

1	Nunavik team should be allowed to play more sports	2/21/2023 12:11 AM
2	I like that there is both.	2/14/2023 10:39 AM
3	This was my first time being at the games and I was surprised to hear about basketball and hockey etc. I always had a vision of the games being more traditional and not mixed especially not seeing The Nunavik team involved in those sports.	2/13/2023 9:13 PM
4	There should be leg wrestle & muskot fight for Dene games	2/13/2023 4:33 PM
5	Nope, the balance was good	2/9/2023 3:35 PM
6	Wish Nunavik could join hockey or volleyball too	2/9/2023 1:04 PM
7	I didn't know there were lots of sports in AWG	2/9/2023 12:38 PM
8	It is good to see Inuit find Arctic sports	2/9/2023 12:08 PM
9	I like the idea of having traditional and non traditional, although it would be nice to be optional to get to open more team sport for Nunavik. We are usually a small group, but the youth quit the team to play hockey or volleyball. Which is unfortunate because they are usually the strongest players.	2/9/2023 9:26 AM

11	we need more sports at Games	2/6/2023 10:26 AM
#	<b>Q1: NUNAVUT</b>	<b>DATE</b>
1	i think it is great that there are traditional sports from the north included.	2/9/2023 10:25 AM
2	This games had the Dene games and the Arctic sports in the main sports complex which was good. It helped to highlight these sports as equal to or as important as the globally popular sports.	2/9/2023 9:42 AM
3	Maybe consider the capacity of participating contingents to engage with the sports offered. For example, some contingents have plenty of infrastructure to engage with futsal while Nunavut specifically only has access to gymnasiums (often very small ones). We have strong soccer programs, so we want to participate. Indoor soccer had a bit more of a level playing field, so to speak. Futsal very much disadvantages contingents without field houses. Things like that ...	2/8/2023 3:58 PM
4	It was nice to see everyone participating in the Dene games/ Inuit games.	2/4/2023 1:54 PM
5	No	2/4/2023 1:50 PM
6	I wish I could attend the Dene game or Arctic sports!	2/3/2023 2:41 PM
7	Athletes village too far from sport venues. Bus schedule too tight (makes no time to see other sports/arts) and no	2/2/2023 3:51 PM

1	I think it was cool, but we had no time scheduled to watch any other sports at different venues	2/20/2023 2:59 PM
2	I would like to see the addition of other sports, some sport to have additional categories on a rotational basis	2/12/2023 9:10 AM
3	Arctic sports and Dene games have always been treated like a side sport to Arctic Winter Games. This year, was the first time I experienced these sports being fully included i.e: at the main venue, not pushed off to the side, mentioned at the closing and opening ceremonies. This is what we need to see more of! Without OUR people and our traditions and cultures, there's no way AWG would even be taking place. This needs to be recognized and upheld a lot more than it is.	2/10/2023 3:56 PM
4	I want to be able to play with my age Group again (not stop at U16) it is important for girls in sports to be able to continue in futsal	2/9/2023 10:03 PM
5	Dene and arctic sports are amazing to watch.	2/9/2023 8:14 PM
6	we had no time to see any other sports, spent most our time at venue or at village or on a bus.	2/9/2023 11:29 AM
7	No	2/8/2023 10:54 PM
8	It is becoming much more expensive to acquire traditional snowshoes for racing. If equipment can't be found we may have to modify the rules regarding the sport, that is begin using non-traditional snowshoes.	2/8/2023 9:41 PM
9	No	2/8/2023 5:49 PM
10	Please bring back the intermediate age group for female futsal. It was cut this year as the host society cited that not enough contingents had teams, yet when we spoke with our contacts in other jurisdictions, this was not the case. There were teams prepared to compete at the U18 level in Yukon, NWT, Northern AB, Sapmi and Nunavut. Greenland had a team but didn't have the funding to send a team.	2/8/2023 3:03 PM
11	It's always cool watching Arctic sports as it's not a very big sport around the world	2/8/2023 2:28 PM
12	There needs to be time and easy access to all sports venues . Transportation communication logistics and the sport schedule meant 70% of our time made these activities inaccessible.	2/8/2023 2:23 PM
13	Some sports that are globally popular may not need the AWG venue. I also think that sport scheduling should shift practice days or rest days so that opportunities to view other sports is easier. With sport venues being so spread out, the opportunity to watch other activities was limited to our rest day, which many other sports had the same rest day.	2/7/2023 8:16 PM
14	If it's the called the arctic winter games, the sports should have some base in the north. I don't think we should exclude other, less "northern" sports, but they get enough attention already.	2/5/2023 10:42 PM
15	There were a number of challenges that this games had to overcome around transportation and food at the village due to Transportation issues.	2/5/2023 4:29 PM
16	Great :)	2/5/2023 2:09 AM
17	Some of popular sport can help inuits or other culture with small village to have the interest to do something different in them communautés	2/4/2023 3:46 PM
18	Nope	2/4/2023 10:33 AM
19	Smaller teams or fewer categories. The size is not sustainable and excludes smaller communities.	2/4/2023 10:12 AM
20	Nope	2/3/2023 10:49 PM
21	Good mix ; bigger contingents that represent more sports as a contingent would prote more cross cultural interactions as the "game /event " is the initial bridge amongst athletes	2/3/2023 10:52 AM
22	Slay the day away ur a queen	2/2/2023 11:33 PM

1	I think that it is very important for all events, and people to focus on their carbon footprint, or effect on the earth. I think that especially the Arctic Winter Games should focus on this because the more the Arctic Winter Games contribute to climate change, the faster the Arctic in the name will disappear. Also, many of the sports played in the snow will not be able to be played, since the more the Arctic Winter Games contribute to climate, change, the faster the snow will disappear, making these sports unplayable.	2/12/2023 2:42 AM
2	Be mindful but not overly focused on that. The spirit of the games and nurturing an arctic community is a big enough objective.	2/10/2023 12:55 AM
3	Everyone needs to help	2/9/2023 7:56 PM
4	It is important to take care of the environment, however it should not be more important than the actual games themselves.	2/9/2023 6:21 PM
5	Because we are all there because we live in northern areas that are beautiful and humans/pollution/global warming could ruin all of our lands.	2/9/2023 12:30 AM
6	AWG did a great job on making athletes use there water bottles to lessen there footprint.	2/9/2023 12:18 AM
7	Do our part to keep our earth clean and minimize our impact. keep our current focus	2/8/2023 11:52 PM
8	It would be very easy to make minor changes to help with the environment.	2/8/2023 9:27 PM
9	Because if we are able to help the environment we should.	2/8/2023 6:35 PM
10	It would contribute to the protection of northern climates	2/8/2023 6:17 PM
11	Wood Buffalo area has a very destructive impact on the environment, really disturbing to see all of the oil development.	2/8/2023 4:40 PM
12	Our world is our home and we need to protect our home.	2/7/2023 11:48 PM
13	Climate change is really affecting the atmosphere around us and if we do little to nothing about it, it could get to the point where AWG won't operate furthermore because of the major issues of the world's atmosphere and climate	2/7/2023 6:06 PM
14	It is important worldwide.	2/7/2023 6:03 PM
15	I feel like the Athabasca lodge was extremely wasteful. I thought about it very often. Multiple times a day. The food waste and trash waste was immense. Especially all the single-use plastics from forks, spoons, and tiny containers of condiments. All the single-use cups. I did not like that and had no idea it would be like that or I would have brought my own reusable cups and utensils. That is probably my biggest complaint from the AWG.	2/7/2023 1:10 PM
16	its important to treat our homes with respect and leave it better than we found it.	2/6/2023 4:40 PM
17	There was a lot of waste in food containers and energy getting athletes to a from events. I also feel like a lot of food was wasted	2/6/2023 4:04 PM
18	many of the sponsors of the arctic winter games are funded by oil and gas producing companies. If you want to become more environmentally, friendly, opt out of the oil and gas industries, and find new ways to put your money	2/6/2023 2:42 AM

## Arctic Winter Games (AWG) 2023 Participant Survey

where your goals are. Especially in Canada or in the US, it can be difficult to find environmentally friendly sponsors to help profit these games I would recommend either stepping out of these sponsorships or relying on sponsorships that are committed towards environmental protection. For the 2023 arctic winter games, it was obvious that most of the sponsorships or profited by carbon producing organizations do better.

19	Protecting the environment is good	2/5/2023 7:36 PM
20	Some northern communities benefit greatly from fossil fuels, but environmental stewardship and cultural resilience are top priority for most circumpolar people. AWG should support this mission with an honest approach to our current needs and our ability to plan for our future.	2/5/2023 6:25 PM
21	I don't think AWG should necessarily focus on it, but it should always be an option. Things like recycling water bottles should go without saying.	2/5/2023 4:39 PM
22	There was lots of pollution	2/5/2023 12:43 AM
23	I think there a number of small things that can always be done by everyone to care for the environment — from recycling to water conservation to keeping thermostats at reasonable temperatures to many other things — which all add up over time to make an impact.	2/4/2023 7:11 PM
24	it was fun to see the other teams and their fans	2/4/2023 2:21 PM

29	Environmental sustainability is really important for our future	2/4/2023 11:53 AM

31	the environment literally provide the arctic people what the need AND the capability to perform their sports :)	2/4/2023 10:19 AM
32	everyone should be focusing on that	2/4/2023 2:14 AM
33	We only have one world and we need to respect the land that we have been given	2/3/2023 12:12 AM
34	Important to Arctic peoples and everyone	2/3/2023 12:05 AM
35	I was very surprised that there weren't more recycling containers and the locations weren't very logical. They were only central to the building but not to where the athletes were sitting/hanging around. There also should have been more reminders and announcements to recycle.	2/2/2023 10:46 PM
36	We all should consider wasting less all around.	2/2/2023 9:52 PM
37	I think focusing on our carbon footprint is important because what we do now will affect us in the future. If that means being terrible to our environment then in the future the future generations have to deal with what we did in the past and the effects of that.	2/2/2023 5:55 PM
38	Climate change is an important issue	2/2/2023 5:04 PM

43	There is so much waist especially in the food and plastic that I think could be rethought to be way more sustainable	2/2/2023 3:20 PM
44	many people many trash and people should be encouraged to recycle or reside disposable cups or containers in the cafeteria	2/2/2023 3:17 PM
45	Because it is important for the continued well being of people around the world, and especially northern peoples	2/2/2023 2:15 PM
46	Peoples of the arctic are effected more than anyone else	2/2/2023 1:52 PM
47	Sports does not impact the environment negatively	2/2/2023 1:51 PM

1	We have on earth so let's take care of it. Once we pollute it there's no going back.	2/17/2023 7:10 PM
2	The North is one of the least populated (and therefore least polluted) environments on Earth, but it won't take much to change all that. Leaders of future generations need to recognize that it's a global issue, and they are not alone, but part of a community. Events like AWG are where those future leaders are inspired.	2/11/2023 8:21 PM
3	It's a great opportunity to teach kids how to respect our environment, and take care of it.	2/10/2023 5:49 PM

12	Because specifically in my event (arctic sports) alot of the events were created on the land of our ancestors and with the amount of waste and pollution I feel like it wouldn't be the same knowing that those traditions and games were no longer apart of those in the sense that they may not be able to preform those such events on there home land and territories because of the amount of carbon footprint and pollution	2/8/2023 2:25 PM
13	Yes and to a point to far that information was not always readily available or helpful to participants.	2/8/2023 11:42 AM
14	Because we should promote sustainable games and sustainable living	2/6/2023 9:47 PM

16	we all have a role to play... and with this many people descending on a community, impacts can be felt if not offset by the host	2/6/2023 4:20 PM
17	transportation in particular can have a big impact, the transportation schedule can be optimized from an environmental impact and sport/athlete support standpoint	2/6/2023 2:40 PM
18	Our earth is changing - we need to recognize that to make change.	2/6/2023 1:31 PM
19	Because if we don't protect it we won't have an arctic to have the games in	2/6/2023 9:52 AM
20	We should always be doing our best to minimize our impact on the environment.	2/5/2023 10:01 PM
21	We should be setting an example. I was so pleased there were no plastic water bottles!	2/5/2023 4:00 PM
22	Food containers and drink bottles Recycling should be thought of. Lots of food waste in cafeteria and at venue	2/5/2023 2:13 PM
23	It is important	2/5/2023 11:05 AM
24	it's always a good idea to be environmentally conscious when there is a large amount of people coming into one place from many different places	2/4/2023 9:21 PM
25	Not driving so far (having the dorms closer, even if that means being in a school). Having more recycling, soooo many bottles in the garbages because there weren't enough recycling	2/4/2023 2:48 PM

28	I think we shoukd have been walking distance within our sports to reduce our carbon footprint, also would have rather taken a plane to get here rather than driving 8-9 hours	2/4/2023 1:22 PM
29	More water stations and less water bottles. Is one.	2/4/2023 11:48 AM
30	Always important to protect the environment	2/4/2023 11:07 AM
31	Lots of food waste happens, lots of aimless driving happens.	2/4/2023 11:03 AM
32	It was great that I saw way less plastics water bottles. The use of plastic utensils could be eliminated and go with Eco friendly ones.	2/4/2023 11:01 AM
33	Being respectful with Nature is always a good thing to do	2/4/2023 10:48 AM
34	Because I think having a clean environment is very important and especially to those who do the dene games and the cultural people it is important to them	2/4/2023 10:34 AM
35	We have to take care of the land for future generations to follow	2/4/2023 10:14 AM
36	Because these communities will change more rapidly compared to others.	2/4/2023 10:12 AM
37	Lots of food went to waste, from spiking in bag lunches, to seeing all the sandwiches getting thrown out	2/4/2023 10:11 AM

## Arctic Winter Games (AWG) 2023 Participant Survey

11	The 2023 AWGs did a poor job of promoting environmental sustainability. In particular, the athlete's village was located in Fort McKay, 58km outside of Ft McMurray where the sport venues were located. This required multiple bus trips to and from the village daily by all participants which resulted in significant emissions.	2/6/2023 5:52 PM
12	We dont have any other planet to live on...lets not destroy this one. Not a tough question...	2/6/2023 4:48 PM
13	We are gathering at a host community, ensuring we are not causing severe environmental impacts to the host community is crucial. I also see first hand the level of waste at the village - food, utensils, etc.	2/6/2023 1:56 PM
14	it's a key part of Arctic Sports	2/6/2023 1:46 PM
15	In general, we need to be mindful of these things. Making it simple for people to separate waste is a basic thing that could have been done better. At our venue and the village, there was so compost/recycle/waste separation so everything went in the same black trash bag. I know there was an effort to have compostable packaging at the village, but then we couldn't dispose of that differently.	2/6/2023 10:49 AM
16	It's important to	2/5/2023 11:36 PM
17	The sheer amount of athletes and coaches means that even a little more attention or a more environmentally friendly approach could go a long way.	2/5/2023 8:03 PM
18	Because with this many people there was lots of food wastage,	2/4/2023 4:52 PM
19	There was so much food waste and garbage created by the games. This is a great opportunity to teach young people about ways to help the environment in their daily actions. There is a huge opportunity for compost with all that food	2/4/2023 3:00 PM
20	Why not, protecting the environment should be everyone's main concern and it's selfish that it's to even be questioned.	2/4/2023 1:09 PM
21	It is a great way to show how northern communities can be sustainable	2/4/2023 11:29 AM
22	Those values have always been important to Northern/Indigenous people. The games should make a significant effort to promotes those values as well.	2/3/2023 5:54 PM
23	We make a lot of garbage with all the plastic containers and bags and everything for food, even if some of the food containers are reusable. I believe that they should aim to give every participant reusable utensils in the lunchbox we got so that there isn't the need to get plastic ones every time you eat food from the snack room or fridges. There is also a lot of waste with all the gear and pins and things like that, but I think that those are more part of what makes awg awg, so I dont tbjnk that anything about the gear and pin trading shohld change.	2/3/2023 10:10 AM
24	keep the earth beautiful	2/3/2023 2:57 AM
25	Because our planet is dying and it matters to do our part	2/3/2023 1:41 AM
26	AWG should be setting an example to the youth about the importance of taking care of the land (there was a lack of compost and paper recycling at the athletes' village and venues... only beverage container recycling).	2/2/2023 10:46 PM
27	Having more routes for drivers but at the same time have them all take breaks when needed	2/2/2023 8:27 PM
28	I like the idea of banning single use plastic. I like the idea of having more recycling bins over garbage bins. This is something I feel is easy to setup at these events. Having volunteers to help keep the outside space around the venues clean is also a nice idea. Although it would be nicer if people didn't throw their garbage on the ground in the first place.	2/2/2023 7:46 PM
29	Our planet is up to our youth now because of the mistakes people before us have made. AWG's is a youth focussed event and is also focussed on the circumpolar circle where we all realize the impact climate change has as it is changing the climate's of our homes. I believe our planet is important for everyone.	2/2/2023 6:42 PM
30	They had recycling bins every where. It was good.	2/2/2023 6:31 PM
31	Because the people of the north lived/survived on the land, if we do not protect it then we are destroying where we came from.	2/2/2023 5:16 PM

33	Global warming is real, lol.	2/2/2023 3:04 PM
34	The land provides us with food & plant food/medicines & too much disruption - mining .. cutting trees etc alters the environment which causes problems.	2/2/2023 2:25 PM

16	This year's awg was very focused on the indigenous in the Alberta area but did not cover the environmental damage Alberta has within the country due to the oil sands, which is also an important factor. Many circumpolar regions are getting heavily impacted by global warming and I believe that should be recognized, especially in places that are sources of pollution.	2/3/2023 11:29 AM
17	For our future!	2/3/2023 3:18 AM
18	Organizers should encourage participants to become aware of their surroundings and how to reduce waste	2/3/2023 12:22 AM

25	it's a good thing to learn about	2/8/2023 3:24 PM
26	Climate change will impact northern people the most.	2/8/2023 3:04 PM
27	How much of a focus, I'm not sure. Recycle bins and composting could have been improved. Transportation maximizing this would be important but not an easy task given the logistics involved at Wood Buffalo. Backpacks and swag were nice touches but not quality and therefore not sustainable; some were in the garbage before we left broken, ripped and torn. Maybe these extras aren't necessary or one piece of higher quality perhaps.....the few compostable take out items in the cafeteria were great!	2/8/2023 2:37 PM
28	Priority issue to northern communities	2/8/2023 2:24 PM
29	There was a tonne of driving for these games. Each participant had to take at least two 55 minute bus rides from the village each day. There were other schedules that made it so that they had to take four bus rides. I understand that all contingents have to get to the region that is hosting the games, but the distances within the region should be minimized. I did not see any of Fort McMurray other than the village, sport venue, and the hub. At 2018 AWGs, once participants were in their host community, most of the venues and accommodations were within walking distance. I was able to connect with the host community and walk to other venues to watch other sports.	2/7/2023 8:34 PM
30	Do the things as sustainably as possible, but let them have fun too	2/7/2023 8:14 PM

33	Northern regions of the world are more susceptible to environmental stresses like climate change than anywhere else in the world and therefore should recognize those impacts.	2/6/2023 6:28 PM
34	There was a lack of recycling stations at the athletes village and a lot of food waste. Also the containers for lunch packing created a lot of trash. I noticed a lot of athletes just threw out their AWG swag such as backpacks, lunch box and water bottles, there should have been a place to give it away for it to be repurposed instead of thrown out	2/6/2023 3:57 PM
35	the natural environment is such an important part of our northern identity, so many sports are based on our unique environment and we should preserve and protect it.	2/5/2023 10:47 PM

39	Not sure how much recycling/composting went on during the games, may have been lots but I don't know. There are some things that we can all do relatively easily to help reduce our impact on the environment. There are also things about the games that have a larger footprint such as flying athletes around the circum polar region but with charters at least we are minimizing it.	2/5/2023 4:32 PM

14	I think being concerned about it is good and showing effort. However I would not want it to be overly focused on. There is no message to encourage for environmental sustainability or awareness of climate change arctic winter games does not have any initiative or focus on environmental issues or environmental sustainability in action. Sorry	2/6/2023 2:47 AM
18	The event doesn't necessarily have to be 100% "sustainable" in order to promote environmental protection and make steps toward sustainability. Using food vendors that reduce packaging and waste, smart bus schedules, and venue choices make huge impacts.	2/5/2023 6:42 PM

1	The Arctic Winter Games are different that any other sporting event I have participated in because the Arctic Winter Games is more than just a race, or a competition. It is an experience, a time to meet new people, and a strengthener of team comradery.	2/12/2023 2:53 AM
2	The regional representation was really cool.	2/10/2023 1:04 AM
3	The AWG were much larger than any other events I have competed in.	2/9/2023 6:25 PM
4	Everyone was nice and easy to talk to and I was exposed to a whole different culture that I am surrounded by at home. It made me learn more about culture.	2/9/2023 4:18 PM
5	It is more of a celebration than a competition. Even though we are competing with athletes from other countries, we created a community ity between all athletes in the sport.	2/9/2023 12:34 AM
6	AWG is similar to our games with NYO & WEIO	2/9/2023 12:24 AM
7	Seemed the same	2/9/2023 12:02 AM
8	I feel like the level of competition was high but everyone treated each other with great respect at all the sports. Everyone was very encouraging and supportive.	2/8/2023 9:33 PM
9	I have never done an sporting event that involved going out of the country to compete with people out of the country.	2/8/2023 6:40 PM

13	More diverse in the overall sense of the event.	2/8/2023 2:42 PM
14	.	2/7/2023 11:51 PM
15	The different countries represented is unique and special. Pin trading and other traditions allow for natural opportunities to encourage meeting new people.	2/7/2023 6:19 PM
16	Arctic sports, to be specific, isn't really about dogfighting and rivalry like western sports. It's about encouragement and a lot of fun.	2/7/2023 6:15 PM
17	much bigger and much more significant. its like the olypics for northern kids	2/6/2023 4:47 PM
18	Figure skating rules on US are different from Canada. I do like how they really make the athletes feel like OLYMPIANS no matter what level they are!! The award ceremony and team events are wonderful.	2/6/2023 1:08 AM
19	playing teams from other countries made it very cool	2/5/2023 7:41 PM
20	It's an event that places greater importance on our culture(s) and our connections than our sports.	2/5/2023 6:42 PM
21	I think the average athlete usually just participates in competitions within their sport. Arctic winter games is different	2/5/2023 4:53 PM

## Arctic Winter Games (AWG) 2023 Participant Survey

because there are so many events going on at the same time, and you can watch the events and meet the athletes who are competing in them.

22	Because it includes other countries/constituents. I have only played with other kids in my local area.	2/5/2023 4:43 PM
23	I usually go to a 1 sport tournament, this is so much more with so many people you would never meet in your life otherwise. It's a fantastic event to have on and I love coaching.	2/5/2023 1:29 AM
24	Futsal is a lot faster then soccer	2/5/2023 12:46 AM
25	Lots of different sports with people from different locations.	2/4/2023 7:30 PM
26	they did not have a cultural emphasis	2/4/2023 2:24 PM
27	I have done NYO but never AWG so it was cool to see all the sports and all of the learning you get from each.	2/4/2023 1:58 PM
28	AWG focuses more on community and culture and less on just winning	2/4/2023 12:19 PM
29	Cultural exchange	2/4/2023 11:54 AM

34	Everyone no matter where you are from got a long and supportive of each other	2/3/2023 12:19 AM
35	More community. Lots of different sports and activities	2/3/2023 12:09 AM
36	???	2/2/2023 11:18 PM
37	I've been part of many different youth sports activities but by far this event really was an eye opener. There aren't much regulations as to team/crowd behaviors. Display of disrespectfulness is allowed and encouraged. Not just by the parents and but also by coaches. NO ONE should EVERY be allowed to disrespect another countries' national anthem!!!! Also, it's so interesting that I've YET to hear the United State's national anthem as loud as other countries' national anthem during futsal matches. 33	I like the opportunity it provides youth from different regions to come together and participate in sport and cultural events. I've talked to some of those who come from the remote communities, and they appreciate the opportunity to experience competition on a more level playing field. When teams from the North compete at larger southern competitions, it can be overwhelming because they do not have as many opportunities or experience as their southern counterparts who can travel to other competitions more easily. 1	The only thing I would change for AWG 2024 would be the venue. It took an hour and a half to two hours every day to get from the Arctic Village to the ski mountain every day. Let alone going back too! However, it was made more enjoyable because of the very nice busses.	2/12/2023 2:53 AM
2	Nothing	2/10/2023 3:49 PM
3	More athlete focused opening and closing ceremonies.	2/10/2023 1:04 AM

5	More organized transportation and maybe having several people room together.	2/9/2023 6:25 PM
6	I mentioned it earlier but how each sport should have the best sportsmanship award.	2/9/2023 4:18 PM

8	The transportation concerns that came up during the games.	2/9/2023 12:24 AM
9	? Hope they keep the same arctic north feel to the event!!	2/9/2023 12:02 AM
10	Try to get all contingents to participate in all sports. Some had a very small competition pool.	2/8/2023 10:31 PM
11	Bussing needs to be improved. it caused a lot of delays and added stress and pressure.	2/8/2023 9:33 PM
12	How far away the hotel is from the gyms.	2/8/2023 6:40 PM
13	The organization of the buses, food and communication with mission staff and athletes was TERRIBLE, needs much improvement.	2/8/2023 4:46 PM
14	Anticipate the transportation needs of participant not competing. More education of Coaches and Officials on the differences between game rules in Canada and the USA.	2/8/2023 2:42 PM
15	Team Ak gets more recognition in sportsmanship	2/7/2023 11:51 PM
16	~2+ hours a day of travel was extremely hard and not enjoyable. I really wish we were closer to everything. Better communication with the teams and coordinators. Cultural teams had no idea what they were doing when we first got there. And nobody knew for us. It was very frustrating to deal with.	2/7/2023 1:18 PM
17	more media coverage for alpine skiing. would be nice to assign a local person to each team as a contact for questions when they are planning the trip etc	2/6/2023 4:47 PM
18	transportation was an issue. The tradeoff of having the amazing housing wasn't equal to the hassle of the travel and scheduling all the sports to begin at the same early time or not allowing for immediate competition participants to have first access to travel made for rough, very early mornings	2/6/2023 4:07 PM
19	applications should be ahead of time so that way participants can know how much they need to pay and have time for their passport to come in.	2/6/2023 1:30 PM
20	Focus more on cultural participation and environmental sustainability	2/6/2023 2:47 AM

## Arctic Winter Games (AWG) 2023 Participant Survey

21	I wish I would have had atleast half a day to been able to watch more events. Scheduling and TRANSPORTATION was bad. A lot of time standing around, waiting for buses or being on bus is getting to where you need to go. The transportation issues at the airport. Going home for a disaster.	2/6/2023 1:08 AM
22	Busses need to run on schedule	2/5/2023 7:41 PM
23	Events should be hosted near where the athletes are staying.	2/5/2023 6:46 PM
24	Let athletes try the other sports	2/5/2023 6:43 PM
25	Better logical planning (bus schedules, airport logistics). Ceremonies should be geared toward the athletes, keeping in mind their attention span and environmental conditions. The opening ceremony seemed to become a platform for politicians to basically say the same thing as the next, while kids stood for over an hour in the sun-zero temps. Everyone left too soon and few athletes felt the ceremonies were for or about them. Instead of so many speeches, how about 1 athlete from each continent showcase their sport for 1 minute: futsal dribbling, Arctic sport high kick, biathlon range procedure, etc.	2/5/2023 6:42 PM
26	Our departure after the closing ceremonies was messed up! We were supposed to leave at 8:30 and didn't leave until about 1:45 AM. We were two minutes short of having to turn the plane around so that the pilots could rest. If that happened, it would've been a huge mess! Transportation, in general could have used some help. also, I prefer the normal way of housing teams in classrooms, where they are all in the same room. I think it makes for a better camaraderie within the team. Also, the athlete village was way too far away, and they spent too much time on buses and waiting for them.	2/5/2023 4:53 PM
27	More communication sent out	2/5/2023 3:28 PM
28	Better schedules and flight instructions for coming and leaving.	2/5/2023 5:55 AM
29	Bus scheduling for the most part.	2/5/2023 1:29 AM
30	BUSSING SITUATION. Busses should be constantly running. Team village should be AS CLOSE AS POSSIBLE to the venues.	2/5/2023 12:46 AM
31	Athlete housing was so far away from everything.	2/4/2023 7:30 PM
32	the announcing of the gold medal game in the local language was frustrating for my family back home	2/4/2023 2:24 PM
33	Housing and busing	2/4/2023 1:58 PM
34	For alpine skiing, overall results should be scored by the top 5 athletes. This will eliminate bias from team size.	2/4/2023 12:58 PM
35	Athlete village closer to venues	2/4/2023 12:19 PM
36	Be more inclusive towards the reason why AWG is even a thing	2/4/2023 11:59 AM
37	Better organisation	2/4/2023 11:38 AM
38	The games were poorly organized this year and the athletes did not have enough places to get food. Staying at the village was much too far away.	2/4/2023 11:17 AM
39	Refing for hockey. The personal bias for refs came into play hardcore. Fans shouldn't have bullhorns and cowbells. This is still youth hockey. Not the nhl. Ppl cheering for kids to be hit, takes away from what AWG is supposed to be out.	2/4/2023 10:37 AM
40	Transportation to different venues	2/4/2023 10:27 AM
41	Transportation	2/4/2023 10:25 AM

43	building in a day to each sports game schedule throughout the week so they have a full day to explore and watch other sports	2/4/2023 2:17 AM
44	Better bus system. Athletes shouldn't have to wait two hours to board a bus.	2/3/2023 1:17 AM
45	Pin trading area should not be limited to one or 2 people. Should be tables that athletes and others can lay out their own pins.	2/3/2023 12:09 AM
46	The Arctic nations are nations who thrive on protein and fats. This is not new. After seeing videos of the food options in the chow hall, it was truly focused on the standard American diet of highly processed carbs. This was the most disappointing feature of the 23 games. We have to do better by our youth. There was Vegan options ... where were the carnivore options? You cannot have one extreme without the other. Processed bread ... sandwiches after sandwiches after sandwiches in plastic wrap. All processed white bread. And, let's not forget about the orange and apple juice next to the soda machine. Sucker punch to the liver x100 ... soda or juice ... human liver just sees it all as sugar. Their insulin must have had a field day right before bed. For 2024, let's find a committee who understands the diet of the Arctic. While feeding 1900 athletes in itself is a tremendous challenge, we have to do better by them. The athletes need protein and they need fat to go along with it. What they don't need is a glucose/insulin spike 3x+ a day from highly processed carbohydrates or straight apple/orange juice. Stick to what the Arctic Nations have thrived on for centuries. PS - I was told there was burger options in the cold bin, but the kids had no idea how to heat up the patty.	2/2/2023 11:18 PM
47	SPORTSMANSHIP AND FAIRPLAY!!!! Knowing that smaller teams have small cheering crowd, be respectful and be a good neighbor! Cheer them on!!! We know you are the home crowd and have hundreds cheering on, be KIND and cheer the other team!!	2/2/2023 11:01 PM
48	Nothing	2/2/2023 10:32 PM

## Arctic Winter Games (AWG) 2023 Participant Survey

19	Transportation was problematic. We had lots of patience for bus lines and whatnot. By the end of the week when we were getting changes to bus times late at night (when athletes had gone to bed), that was really difficult to handle. Communication about transportation was poor, and caused alot of frustration for our coaching team. There were multiple incidents when this frustration could have been avoided if we had just received the information in a more timely manner.	2/6/2023 11:04 AM
20	The bussing system was pretty much horrendous on the first day, and that should be improved more than it did. The charters leaving were delayed, and some by five hours. This is a big issue especially for those having to return to work or school and who missed an entire night of sleep at the airport waiting. The accommodations were nice but being so far away from the venues and town was not nice.	2/5/2023 8:08 PM

33	Opening ceremony focused a little less on speeches and more about athletes getting a chance to celebrate just being there. (The athletes are young and their attention span was fading). The athletes started dancing with the music, but where then marched out. I think they would have appreciated a bit more time to dance and celebrate.	2/2/2023 10:54 PM

43	The organization of these games were not the best. I have been to 8 games and the volunteers, although doing their best, are not properly organized. The traditional games were positioned in a spot where we could not concentrate and on a floor that is not ideal for the sport. The Arctic sports technical package was a mess. Dene games had one snow snake track and improper snow snakes. Spectators were coming in and out of each facility. It was very disorganized.	2/2/2023 2:55 PM

46	I really hope that the venues for sports/arctic sports are way more central to the athletes village, if they do artistic performances I hope that they are advertised/ represented better. I also hope that the opening ceremonies spends less time on acknowledgments to different leaders of the community and more time on the athletes/performers. Basically more music and fun, less sweaty talking and cold. Also we got trapped inside with a DJ who insisted on rapping for 40 minutes straight, it made me so angry	2/2/2023 2:03 PM

1	The air pollution from the oil extraction process and having the athletes village located in the middle of the pollution	2/17/2023 3:13 PM
2	Athlete housing was entirely too far away from sports venues. This added unnecessary stress to their schedules. Other than that WB was welcoming & well suited for the Games	2/17/2023 6:11 AM
3	Nice good small town ish bud good for compotioon	2/14/2023 10:19 PM
4	I wouldn't say that Wood Buffalo was a perfect place for the Arctic Winter Games, however, I would say that it was a great place for it. I would say that it was perfect if it weren't for the very long bus rides to get to the venues, but as I said earlier, they were made much more enjoyable by the very nice buses.	2/12/2023 2:53 AM
5	The place that we had to complete was amazing	2/10/2023 3:49 PM
6	Accomodations were great, but far from venues which complicated tournament schedules.	2/10/2023 1:04 AM
7	It was a great place for all the different sports to compete in, and the athletes village and hub were spectacular locations. The only downside was how long the transportation took.	2/9/2023 6:25 PM
8	I liked that we got our own rooms and we had our own space to take showers. Not everything was communal and I liked that.	2/9/2023 4:18 PM
9	Because they had the faculties to house all athletes	2/9/2023 12:34 AM
10	Wood buffalo was able to meet our needs and when concerns came up they listened and worked on making it better.	2/9/2023 12:24 AM
11	There was a place for everybody to stay. There were lots of places for different sports to happen. It felt like it was a great representation of the north. It didn't feel super city like and everyone felt welcome.	2/9/2023 12:02 AM
12	The sports complex or MacDonald Island was a great place for athletes to compete and gather, Wood buffalo was easy to navigate around.	2/8/2023 9:33 PM
13	Because the hotel was very far out.	2/8/2023 6:40 PM
14	The sporting venues and housing	2/8/2023 6:20 PM
15	The bus system in the beginning was a bit choatic	2/8/2023 5:43 PM

21	Mostly had to do with where we were housed. I really did not enjoy being 45 minutes away from everything. Our cultural team would be done with events at 9 or 9:30. So to have to drive 45 minutes back and not even be to the lodge until 10:15 was very hard. Especially when we had to wake up early to catch the buses.	2/7/2023 1:18 PM
22	Wood Buffalo had the right amount of facilities and attractions to put on the most special AWG events ever. I cant imagine that Wood Buffalo will be out done.	2/6/2023 4:47 PM
23	HUB location and amenities were great but far form sleeping quarters. Would have liked more on the other sports nearby or easier to access	2/6/2023 4:07 PM
24	The location has a beautiful and rich culture of loving people, I enjoy being around those who cared for us. Some OFIs are Athletes had to travel 50 km away to get to their destination. Buses were heavily relied on and delays were frequent.	2/6/2023 2:47 AM
25	The man camp, and having a bed and a shower and bathroom to yourself, was very nice!	2/6/2023 1:08 AM
26	It was really polluted there.	2/5/2023 8:06 PM
27	There sports complexes were amazing	2/5/2023 7:41 PM
28	There were long bus rides to get to games.	2/5/2023 6:46 PM
29	The distance between the athlete village, and the different venues was too complicated.	2/5/2023 4:53 PM
30	The participant village was nice and had lots of things for us. Especially the bedding and food	2/5/2023 4:43 PM
31	It had to many struggles	2/5/2023 3:28 PM
32	Too spread out.	2/5/2023 5:55 AM
33	It had so many facilities readily available like Mac Island which is an incredible facility. The only problem was transport. Athlete village being that far out of the way was really tough to get out places.	2/5/2023 1:29 AM
34	The village was way to far, the busses were not organized, and the staffing was rude (I understand it's frustrating when things don't go well but don't take it out on the visitors)	2/5/2023 12:46 AM
35	Athlete housing distance. McDonald Park was very cool. No chance to go into town.	2/4/2023 7:30 PM
36	it was remote and different from home	2/4/2023 2:24 PM
37	It was early morning and late drives to get to places just took a long time	2/4/2023 1:58 PM
38	Housing was way to far from everything.	2/4/2023 12:58 PM
39	I think it would have been great if we were staying in fort McMurray and not so far away	2/4/2023 12:19 PM

44	Transportation was an issue to any other venue	2/4/2023 10:27 AM
45	Mac island was great. Distance from village to hub was challenging and created really bad scheduling issues and transportation.	2/4/2023 10:24 AM
46	the air pollution is gross...	2/4/2023 10:21 AM
47	the living quarters being an hour away was frustrating because sometimes you got stuck in town because of busses or waiting hours for the next sport	2/4/2023 2:17 AM
48	Long travel by bus from lodge to hub	2/3/2023 8:51 PM
49	The village and venues are too far away. I've been spending half of my time here on the bus	2/3/2023 1:17 AM
50	The places to sports where at were great	2/3/2023 12:19 AM
51	Nothing is perfect but this was a very good games at Wood buffalo	2/3/2023 12:09 AM
52	Ok because it was not the easiest location to reach without a chartered plane.	2/2/2023 11:18 PM
53	Logistics of the lodging and the venue and the long bus ride to and from isn't ideal. It takes too long to take quick rest and there really isn't any where in other venues that athletes to do homework or rest to have down time.	2/2/2023 11:01 PM
54	Everything was so far apart. But besides that everything was nice. I thought the rinks were nice and the lodge was nice.	2/2/2023 10:32 PM
55	WOOD BUFFALO WAS PERFECT MAKE SURE UT STAYS HERE NOT WASILLA	2/2/2023 7:54 PM
56	The only issue is that the bussing is a little bit of a mess and it took a lot of time away from trading and other activities.	2/2/2023 6:00 PM
57	Truly northern Arctic setting	2/2/2023 5:49 PM

7	Too spread out to view all venues and athletes had difficulties with transportation in the beginning.	2/8/2023 3:21 PM
8	venues too decentralized	2/8/2023 2:58 PM
9	Because everything was good about it.	2/8/2023 2:41 PM
10	Venues were too spread out, which does not allow for an athlete centered games, and causes other issues with transportation, food and medical services	2/7/2023 1:56 PM
11	Everything was so far away, I couldn't watch my friends play any sports due to venues so spaced out	2/7/2023 12:54 AM
12	Because it's not really far away from where I live and it's not the farest in the North	2/6/2023 7:31 PM
13	All the venues for the different sports were amazing, the sports village that all the athletes stayed at was also quite good	2/6/2023 7:03 PM
14	The participant village was located too far from the sporting venues and the host city is home to one of the world's most environmentally destructive petroleum projects. Future AWG host committees should consider hosting the games in cities that have divested from fossil fuels and are taking active steps towards being sustainable.	2/6/2023 5:59 PM
15	The driving distance for some teams was a bit much but overall it was a really fun experience!	2/6/2023 4:55 PM
16	It was a welcoming town	2/6/2023 2:35 PM

## Arctic Winter Games (AWG) 2023 Participant Survey

17	Amazing sports/rec centers! Great hosts/volunteers	2/6/2023 2:06 PM
18	I really enjoyed Wood Buffalo, excellent venues and great accommodations. Logistical issues were the only thing keeping me from saying it was "perfect"	2/6/2023 1:51 PM
19	because the athletes village was so far away, you couldn't see more things and you often felt like you were stuck in town due to the 45 min bus ride	2/6/2023 11:54 AM
20	It is somewhere between OK & perfect. The ski venue & volunteer team there: perfect. The bus transportation, OK to poor. The village: OK. It was really nice to have all the contingents together. The food was very good with lots of variety. Single rooms were nice for some, but younger athletes would have benefitted from sleeping in a group in terms of knowing what was going on and for coaches to monitor their wellness.	2/6/2023 11:04 AM
21	The accommodations being so far away from town and venues. Charters. Busses. The weather was a little iffy for the outdoor sports.	2/5/2023 8:08 PM
22	Great size and lots of accommodation and food options. Everything though was too far apart	2/5/2023 4:54 PM
23	I just think in an article competition it should be held in a more arctic/northern place	2/4/2023 9:18 PM
24	The volunteers did an exceptional job at the venue. The overall organization did not seem as well thought out	2/4/2023 7:20 PM
25	The venues were very far	2/4/2023 4:54 PM
26	Venues to far away from athletes village	2/4/2023 4:47 PM
27	It would have been nice to have all the events in the city instead of 2 needed to be held in other communities. However, I recognize that this is a huge event that facilitates a ton of sports and athletes. All the facilities are beautiful and well maintained.	2/4/2023 3:06 PM
28	it's just in oil country which isn't the prettiest look	2/4/2023 1:12 PM
29	Accommodations were too far from competition venues, not enough busses from the beginning. Organization from the host society felt very lackluster.	2/4/2023 11:36 AM
30	The overall community spirit was amazing they came together to show the world what a great city Ft Mac is!	2/4/2023 10:18 AM
31	the set up/village and playing arenas were good	2/4/2023 10:17 AM
32	We had to drive by pollution every time we went to and from our venue	2/3/2023 8:44 PM
33	Participants having to travel significant distances to get to their sport venues. Makes for a lot of late nights and early mornings.	2/3/2023 6:00 PM
34	The good thing about Wood Buffalo was that we had this facility where everyone gets their own room, which I enjoyed. However, Wood Buffalo is further south than where I live, so it doesn't feel particularly northern.	2/3/2023 2:43 PM
35	I think that it was good, the long bus rides didn't bother me at all. I think that it might be a bit cold for some outside events.	2/3/2023 10:16 AM
36	Because where we are staying and where we need to go takes over an hour to get there and we are usually waiting 3 hours to get on transportation	2/3/2023 1:47 AM
37	Access to lots of great facilities. The athlete's village with individual rooms, TV's, wifi. etc., was an added bonus and made it easier to unwind.	2/2/2023 10:54 PM
38	We're from Yellowknife and would have enjoyed travelling a bit further for a different cultural experience but also understand other countries may feel the same and we're happy to experience a Canadian northern city.	2/2/2023 7:56 PM
39	The village was a bit far away from the rest of the events but other than that it was very nice.	2/2/2023 6:47 PM
40	Athlete accommodations, Sports facilities, great community spirit!	2/2/2023 6:36 PM
41	It has the infrastructure to host the games	2/2/2023 5:51 PM
42	This worked, I am indifferent about the location. I would have preferred my event be closer. Overall the accommodations were great, food was great, sport was great, bussing was awful.	2/2/2023 5:21 PM
43	Amazing accommodations, venues and meals. Can we come back?	2/2/2023 3:58 PM
44	Because it wasn't bad or that good	2/2/2023 3:29 PM
45	We got our own room	2/2/2023 3:14 PM
46	The pollution here is so disgusting to drive past every day, and the venues were really far from residence.	2/2/2023 3:12 PM
47	It's has the amenities to be a great host however the host did a poor job at thinking about the athletes.	2/2/2023 2:55 PM
48	It's great that AWG sites are in different regions & for many athletes - some have travelled here for the first time.	2/2/2023 2:31 PM
49	It would have been great to be closer to "the action." It was tough to get between venues. At times, they were not allowing participants to leave the lodge (athletes village) to watch other events, because buses were scarce and only athletes leaving to participate in their events were allowed to board buses. We had to have parents pick us up for our first four games.	2/2/2023 2:21 PM
50	Great facilities, very accommodating for athletes in the village	2/2/2023 2:04 PM
51	For example, I play basketball at a court that is 52km away from the athletes village, and 20 minutes away from pretty much any other sport. I am very lucky that my coaches rented vehicles to commute, but it still sucks to be	2/2/2023 2:03 PM

6	The people were very friendly and nice, the weather wasn't freezing, or cold, and the scenery around the hub the dene games was located was nice.	2/9/2023 3:42 PM
7	The athlete village and the hub were too far. I also did not understand why it said AWG Wood Buffalo when we were mostly in Fort McMurray	2/9/2023 1:23 PM

4	the amazing facilities, the athletes village all in one location.	2/9/2023 10:34 AM
5	The bussing issues tainted the games. They were not a minor distraction, but instead a significant problem that led to overall less enjoyment, but also affected athletic performance. It was unaccepetable. The venues were amazing, but transportation took away from the overall experience.	2/9/2023 9:51 AM
6	The distance from venue to village made it difficult to plan days. Hard to explore different venues and sports because of the unknown factor of bus scheduling. Appropriate rest time for athletes was not always guaranteed because late return bus times and extremely early bus times. However, the venue we played at was beautiful. The city was easy to navigate with lots of resources nearby.	2/8/2023 7:20 PM

13	Would have been better if the arena wasn't so far	2/4/2023 1:55 PM

10	it was able to have everyone together in one village	2/9/2023 2:33 PM
11	The athlete village was very far from everything else	2/9/2023 1:08 PM
12	- industrialized landscape, terrible air quality inside and outside athlete's village, long waits and bus rides to competition venues, we felt trapped inside an oil camp	2/9/2023 12:01 PM
13	everything was so far apart, spent most my mornings and evenings on a bus to and from venues and the village was way out in the middle of no where. I could get hygiene supplies or take a break from the kids without busing 40 minutes into town for 1 hour to bus back	2/9/2023 11:34 AM
14	Place was good, transportation to and from the village was not adequate, leaving kids tired, not enough time to eat and sleep between competition, not able to come into town to watch other sports.	2/9/2023 8:40 AM
15	The organization of things were bad and staying too far from the venue	2/9/2023 3:57 AM
16	The venues were too far away from each other and the athlete's village. Moreover, the transportation was horrible to the point we had to wake up at 5am in the morning, so that we could catch the bus for an 8am game.	2/9/2023 3:06 AM
17	Worked very well. Steak on Friday. Pool hall, Disco, best service ever.	2/9/2023 12:48 AM
18	It's an oil and mining city. And competition place were far from each other. It was not environmentally friendly to commute all the time.	2/8/2023 11:05 PM
19	Wood Buffalo may be at the southern reach of the Circumpolar North but it has all the necessary Sport and Cultural facilities needed to host an AWG. The political decision to hold the AWG in the same year as a Canada Winter Games and at a time when school was still "in" at the host location was not necessarily a wise choice. Temperature extremes were to be expected. The fact that more events were not cancelled is a testament to volunteers, athletes, coaches and officials.	2/8/2023 10:08 PM
20	It was a bit inconvenient that the bus ride to the venue where we were participating was an hour long	2/8/2023 9:50 PM
21	Distances were far, it's boring	2/8/2023 9:08 PM
22	living headquarters was too far from airport	2/8/2023 6:17 PM
23	transportation was very difficult	2/8/2023 5:49 PM
24	Would Buffalo be an OK place for the arctic winter games the only thing I'd suggest is making the housing facility closer to where the sports are located.	2/8/2023 3:17 PM
25	The transportation of athletes was a major problem, the facilities were far apart, the lodgings were an hour or more from all competition facilities.	2/8/2023 3:08 PM
26	Logistic we're challenging but the athletes village was outstanding!	2/8/2023 2:43 PM

## Arctic Winter Games (AWG) 2023 Participant Survey

27	Dorms were too far away from venues	2/8/2023 2:38 PM
28	Everything was so far apart which made for really long days because of travel, the extreme cold weather was a set back for all outdoor sports, and some venues weren't even made for the sport competing inside ( like speed skating we had to skate on a NHL size ice which is smaller than what we normally compete on which is an Olympic size rink)	2/8/2023 2:33 PM
29	The limitations were due to transportation deficiencies and the venue moving due to necessity. The actual location is good	2/8/2023 2:28 PM
30	The athletes village was the best accommodation I have ever experienced at an AWG. The sport venue was a good location as well. The distance between them was too far. It would be different if it were 1 or 2 sports that had to travel long distances everyday; only one sport was held nearby and others couldn't watch it because the busing schedule made it so that we were all trying the get to McMurray while they were trying to get to Fort McKay. Transportation schedules have to take into account how many athletes will need to leave at specific times and coordinate more closely with the sport schedules. You also need to know the sport to identify how early a team may need to be at the venue.	2/7/2023 8:52 PM
31	Not enough facilities in close proximity so driving took too long	2/7/2023 8:18 PM
32	Difficult to get to other venues. Transportation horrible. Accommodations great. Food gross	2/7/2023 12:48 PM
33	They had really nice rooms because I like my alone time and in my own room I could have that.	2/6/2023 11:03 PM
34	Village was too far from everything.	2/6/2023 7:34 PM
35	The camp was nice in that people had there own space for accomodations, food was decent, and the security was great. The transportation was not logisitically scheduled with anticipated sporting events and peak travel times for participants.	2/6/2023 6:34 PM
36	distance to athletes village-improper transporation everything else was great!	2/6/2023 4:27 PM
37	I liked how we could sleep in our own rooms	2/6/2023 4:00 PM
38	the location of the athletes village made little sense, it lead to an unenjoyable experience for may athletes. Not arriving at the lodge until 11:30 pm and having to get up at 5 to wait in a bus line for hours to get to a 9 am game should not be a concern that any of the teams should have had. I didn't have a single good experience with anyone from the host team, alberta north, they displayed rude and unsportsmanlike behaviour. I would hate to see the games being held in a location like this in the future.	2/6/2023 3:20 PM
39	Badmiton was too far No time to go swimming I appreciate the village for the individuel room ( more quiet ) Cafeteria was amazing to just walk from the room not need to go outside Good shower , no need to go outside too .	2/6/2023 12:25 AM
40	again, it was super spread out, logistics were terrible, the work camp was a sad place to live in, there was no real common area for people to meet and do things, so we just clogged the hallways. in the niagara summer games, they were at a university which had a nice park area where we could gather, and we could walk to the places we needed to go.	2/5/2023 11:03 PM
41	The rooms were great, food wasn't great. Bus ride wasn't THAT bad.	2/5/2023 9:47 PM
42	Good accommodations	2/5/2023 7:55 PM
43	It was good	2/5/2023 5:34 PM
44	Staying so far away from everything sucked. The busses made doing any team activity basically impossible.	2/5/2023 5:12 PM
45	Had the village been much closer to Fort McMurray things would have been better, also if all the venues where in town would have also made it easier for all athletes to see other sports competing. I also understand why it was spread-out but it complicated things.	2/5/2023 4:37 PM
46	Living 45 minutes from town. No busses to get you to events. Can't go back to the village after games. The scheduling was unfair to my team	2/5/2023 4:34 PM
47	It was a kinda gross town and the place we stayed was over a hour bus ride to anywhere you wanted to go	2/5/2023 1:03 PM
48	the village was too far from the town and transportation was a mess.	2/5/2023 12:13 PM
49	Good facilities	2/5/2023 2:15 AM
50	Because they are the probably the least northern contingency witch means more resources and a bigger city, so better facilities	2/5/2023 2:14 AM
51	The distance between the village and competition was a pain	2/4/2023 9:03 PM
52	Too far from the village, spending 2-4+ hours on a bus plus waiting time stinks.	2/4/2023 7:46 PM
53	All sports were here and there were facilities. Difficult time . March would of been better.	2/4/2023 4:36 PM
54	It was fine. It's not a very exciting place to travel to...not one anyone would choose to come to but it was fine for the games.	2/4/2023 4:33 PM
55	As mentioned distance between lodging and venues made for transportation problems and difficult for participants to watch other sports and activities	2/4/2023 4:03 PM
56	Lots of great facilities.	2/4/2023 3:02 PM
57	The distance between venues and accommodations was very far and this made it difficult to spectate and cheer on	2/4/2023 12:38 PM

65	it wasn't perfect but the people were nice and very beautiful	2/4/2023 10:32 AM

69	Venues 👍, accommodation 👍	2/3/2023 11:04 AM
70	The athlete's village was cool with all the kids together but it would be nicer to be a little closer to the events	2/3/2023 10:34 AM
71	Long distance between hub and village meant that you had to bring everything with you in a big bag if you wanted to do multiple things outside of the village	2/3/2023 10:23 AM
72	I'm going back in a minute I need a little more I have a doctors note for you I have a couple things I have a few other	2/2/2023 11:39 PM
73	The village was way to far from all sporting facilities. There was extreme amounts of excess CO2 emissions. And Alberta could be argued to not be a part of the "arctic". It is questionable that Alberta competes in the games at all.	2/2/2023 8:31 PM
74	Good choice..transportation contractual issues but athletes liked being all housed together and sleeping in own rooms. Cold weather prevented leisure outside to enjoy the land.	2/2/2023 7:11 PM
75	I think all places that can host AWG can be different and special in their own way.	2/2/2023 6:10 PM
76	The village was too far away	2/2/2023 4:17 PM
77	Because of the tar sands. Because of the distance between the venue and the village, and the inadequate transportation systems between the two.	2/2/2023 3:53 PM
78	Transportation was absolutely horrendous. We should not have to get in line 2 hours before our practice and still be late. Scheduling for certain sports was poorly planned. Why would a team play at night, not get back till 11:30 because they were unable to get a bus, and then play the morning game and get up at 5 am. The weather was freezing. And the athletes village was inconveniently far away, especially with the poor transportation. Also had terrible experiences with all Alberta teams, rude and disgraceful, do better, we shouldn't even be considering you Arctic.	2/2/2023 3:48 PM
79	Wood Buffalo is a very polluted place with all the refineries, and the distance we have to travel to the venue wasn't very impressive. The host society didn't do a good job at organizing the events and transportation wasn't great	2/2/2023 2:29 PM
80	Accommodations where 45-50 minutes away from sports venues, transportation was so bad athletes were forced to go into town early and stay for the entire day with no chance of coming back for rest in between games.	2/2/2023 2:18 PM
81	Buses kinda ruined it	2/2/2023 2:18 PM
82	nice people, decent sized place, good facilities	2/2/2023 2:00 PM
83	Terrible bus system, far away from everything. Honestly disappointed, it's embarrassing.	2/2/2023 1:52 PM
84	Village distance from facilities and huge transportation problems and delays were deeply problematic. Future locations must have accommodation close to facilities.	2/2/2023 1:51 PM
85	Closer accommodations would allow more time to take in other sports	2/2/2023 1:45 PM
