Subject: Without a Nurse, a Hospital Bed Is Just a Bed

An interesting article gaining some attention ...

Without a Nurse, a Hospital Bed Is Just a Bed. During the pandemic, nursing staff have been routinely overlooked and consistently undervalued.

The Canadian Nurses Association (CNA-AIIC)'s has released 'Regulated Nursing in Canada: The Landscape in 2021'.

A paper that speaks methodically and extensively to the history, structures, regulatory requirements, roles, education, and scopes of practice of the four regulated designations of nurses in Canada.
