Hi Harold,

Please find below the response to Belinda and your question. It needs to be clearly communicated to region.

They have to complete the form and I follow up at my end.

Subject: RE: we received the CSC death report

Hi Samar and thanks for the early notification. Yes, PHAC's recommendation is that every death be reported to CAEFISS within 30 days of occurrence, regardless of causal association with the administered vaccine.

Thanks again,
Nooshin
