Hello Françoise (NHQ-AC),

As discussed, please find attached the electronic version of the virtual tour content.

- We will be sending this to EXCOM members on Friday for approval electronically.
- Both the English and French (currently in translation) will be ready.
- Please note some portions of the tour could benefit from further plain language edits. We will perform a final edit once we've incorporated Sector changes after the approvals.

Let me know if you have any questions!

Anne: Can you please create a CCM number for me? Thank you!
