[redacted] 24 (1) (b)

Initial onset of first case: **Sept 8, 2020**
Number of confirmed positive residents: **none at present**
Number of ill residents/total population at risk: **[0/6]**
Number of confirmed positive staff: **1**
Number of ill staff/total population at risk: **[1/20]**
Number of hospitalizations: **none**
Number of deaths: **none**
NP swabs to be collected for all symptomatic inmates and recommended for all staff
Swab collection to be initiated for all asymptomatic residents and recommended for staff, to be sent for COVID-19 testing
Routine IPC outbreak measures apply to the entire facility including (but are not limited to) social distancing including dining room, isolation of ill inmates, outbreak signage posted, enhanced cleaning, strict hand hygiene.

In addition, specific recommendations are in place to prevent the spread of COVID-19 [redacted] 24 (1) (b) including (but are not limited to) additional use of isolation and PPE for residents and staff as discussed with Infection Prevention Control, co-horting of inmates, and staff work restrictions
Restrictions on admissions and transfer are in place for the outbreak unit.
Exclusion of staff as determined by the Occupational Health and Safety, MOH and Medical Director.
