

## Visitor Covid Screening Questions

- Are you experiencing a fever, new cough that started within the last 14 days, sore throat, or difficulties breathing?

*a. If yes, please advise visitor that they are unable to have their visit and that they should contact 811 for further medical direction.*

*b. If No proceed with next 3 questions.*

- In the last 14 days have you travelled anywhere outside of Canada?

-In the last 14 days, have you had close contact with a confirmed or probable case of COVID-19?

-Have you had close contact with a person who has had a fever, cough, sore throat or breathing difficulties who has travelled anywhere outside of Canada within the past 14 days?

If they answer “no” to all of these questions please advise them to sanitise their hands and put on a provided medical mask.

If they answer “Yes” to any of the questions or refuse to answer please advise them that we are not able to grant them access to the center at this time and notify your CPO 3
